Attention Copyright Officer:

I am requesting permission to [reprint/reproduce/adapt/translate] from [page number(s)] of [publication title]. I would like to include it in [publication title], which will be published [approximate publication date] by [organization's name].

[Organization's name] will include a credit line to acknowledge the cited materials specified by the National Maternal and Child Oral Health Resource Center (OHRC). [Organization's name] will state in the publication that readers must request permission for duplication of any cited materials from OHRC.

The cited materials will appear in [an electronic and/or a print] publication. If the publication is to be printed, the approximate print run will be [number of copies]. The publication will be [distributed free of charge or sold for an approximate cost of _____] by [distribution organization] to [intended audience] for [intended purpose].

I am enclosing copies of the original material produced by OHRC and the version we plan to use. If you could respond by [date], that would help us stay on schedule. If you have any questions, please contact me at [phone number and e-mail address].

Thank you.
